

## Privacy statement in the context of the GDPR

Fysiotechnique values the protection of your personal data highly. In this Privacy Statement, we want to provide clear and transparent information about how we handle personal data. Fit In Training is part of Fysiotechnique, and all information described in this statement also applies to representations of Fit In Training, unless stated otherwise.

We do everything we can to ensure your privacy and therefore handle personal data with care. Fysiotechnique complies with all applicable laws and regulations, including the General Data Protection Regulation (GDPR). This means that we, at the very least:

- Process your personal data in accordance with the purpose for which it was provided; these purposes and types of personal data are described in this Privacy Statement;
- Limit the processing of your personal data to only those data that are minimally necessary for the purposes for which they are processed;
- Request your explicit consent when we need it for the processing of your personal data;
- Have taken appropriate technical and organizational measures to ensure the security of your personal data;
- Not disclose personal data to other parties unless this is necessary for the execution of the purposes for which they were provided;
- Are aware of your rights regarding your personal data, inform you about them, and respect them.

As Fysiotechnique, we are responsible for the processing of your personal data. If you have any questions about our Privacy Statement after reviewing it, or if you wish to contact us in a more general sense, you can do so using the contact details at the bottom of this document.
